

SAFETY REPORT

INSTRUCTIONS FOR RETURN

- Please fill in the items below since incomplete information may lengthen handling times.
- Please always send the service request and safety report with the device. The safety report must be attached outside the package while the request must be inside the package.
- The device must be emptied and cleaned before sending it to service. N.B. Devices that have not been emptied/cleaned before dispatch will be cleaned at the customer's expense.

N.B.
EACH PRODUCT
MUST HAVE A
SEPARATE SAFETY REPORT.
